NOALE WP

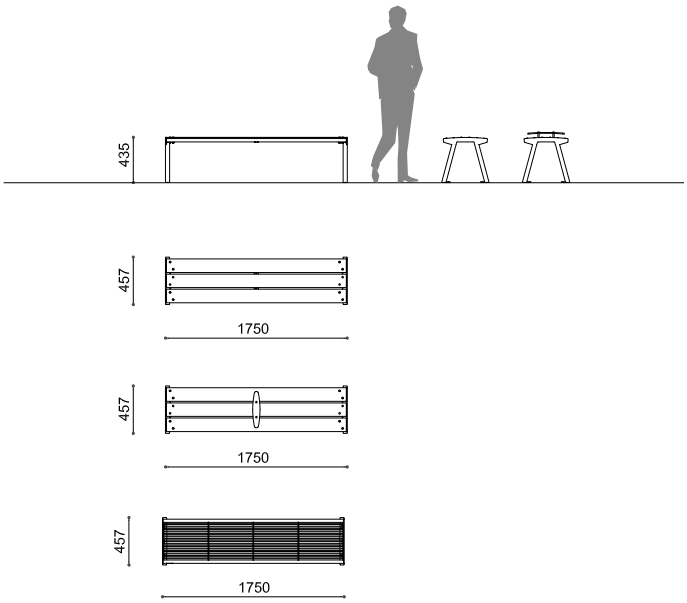

NOALE TWP

NOALE MP

Bench without backrest, consisting of 40x40x1.5 mm steel tube supports with 5 mm thick steel supports for fixing the seat and two perforated plates for fixing to the floor. The seat is made of 3x120x32 mm slats of hardwood or thermo-treated pine with 2 mm thick sheet metal ribs or round steel Ø 8 mm with a 5 mm thick steel sheet structure and tubular steel 30x30x1.5 mm heads. A 4 mm thick stainless steel sheet seat divider is available.
All metal parts are galvanised and coated with thermosetting polyester powder. The hardwood is treated with water-based pigmented impregnation, while thermo-treated pine is supplied not impregnated (impregnation available as an option).
All fixings are in AISI304 stainless steel.
Prepared with holes Ø 12 mm for ground fixing through mechanical dowels (not included).
