

A two-seater oval-shaped table with integrated side-by-side circular seats consisting of two 40x2 curved round tubular supports to which the seats and the oval top are fixed by means of a 3 mm thick sheet steel frame, both made of 8 mm thick HPL and to the base of which 5 mm thick round flanges are welded.
All metal parts are galvanised and coated with thermosetting polyester powder.
All fixings are in AISI304 stainless steel.
Prepared with holes Ø 12 mm for ground fixing with mechanical dowels (not included).
